

Welcome to First Grade

2021-2022

Introduction:

It is our pleasure to welcome you and your child to First Grade. You will be amazed at how much your child will grow this year. This year will be full of new learning experiences and discoveries. We will build on past successes and learn many new things. You will watch your child grow into a reader and writer. You will see changes in your child's thinking, as he/she becomes familiar with abstract concepts and symbols. With our common focus on respect, responsibility, and pride your child will have endless opportunities to flourish as they learn, laugh and grow together.
